present

Science Club

I am belong to science club at my faculty.
Together we are trying invent something special that can improve people social lifes.

Education

2018-10 -
2021-06

Jagiellonian University, Cracow

*Pursuing BSc in Computer Science, Faculty of Physics,
Astronomy and Applied Computer Science*

Summary

Computer Science student on second year with no programming work experience, but very eager to gain it. I discovered my passion for IT quite recently. But everyday I try to improve my skills and set new goals to become experienced. I am passionate about coding and working in a large development team.
